## Advices and Queries

37. Are you honest and truthful in all you say and do? Do you maintain strict integrity in business transactions and in your dealings with individuals and organizations? Do you use money and information entrusted to you with discretion and responsibility? Taking oaths implies a double standard of truth; in choosing to affirm instead, be aware of the claim to integrity that you are making.

## The Truth and Reconciliation Commission's 94 Calls to Action call on all faith groups actively to support all the principles of the United Nations Declaration of the Rights of Indigenous Peoples.

Hamilton Monthly Meeting has made a commitment to pursue education of ourselves about the issues and concerns of Canada's First Nations. To this end, we have a committee whose mandate is to find ways for all HMM Friends to engage actively with the issues of today.

On November 24, at HMM's potluck lunch after Meeting for Worship we will view and discuss part one of an excellent video, *Hear our Voices*, made by Judith Murray, commissioned by the United Church of Canada. The four segments are interviews with First Nations people from different parts of Canada. Part One is an eloquent introduction to widespread concerns.

We are fortunate that Judith will be with us to help guide the discussion on the 24th. We hope you will come and enjoy this beautiful video and the opportunity to discuss it.

## Visiting Mona

Mona Callin's health has reached a point where it is difficult to drive her to Meeting for Worship unless she comes in a wheelchair taxi.

Would you visit Mona at St. Joseph's Villa occasionally?

Mona is a former nurse, McMaster professor, cat lover and docent at the Art Gallery of Hamilton. For decades she has been a strong presence in our Quaker meeting. She has held many positions and contributed to many projects. For years, Mona was also a leader in the Canadian Friends Service Committee. It is hard to see someone with so much flare decline so much.

I drop by to see Mona every few weeks. These visits aren't easy. Sometimes she is restless. She doesn't speak much these days so conversations are one-sided. Mona loves poetry and increasingly I locate a poetry book in her room and read her some poems. On my last visit, yesterday, we enjoyed listening to the piano playing of a volunteer. When I left, Mona looked at me directly and grasped my hand. Even if she has few ways to interact, Mona appreciates being remembered.

If you can drop by for a brief visit every once in a while please let me know. Ministry and Counsel asked me to organize a rota of visitors. Another way to support Mona is to accompany her to and from St. Joseph's Villa on a wheelchair taxi (paid for by Mona and her family) so she can attend Meeting for Worship on Sunday.

Thank you old and new friends of Mona.
